

# Cerasuolo d'Abruzzo DOC

---

**Type:** Cerasuolo d'Abruzzo DOC

**Alcohol content:** 13,0% Vol.

**Grape variety:** black grapes

**Fermentation:** soft pressing of the grapes, cryomaceration, vacuum pressing, fermentation of the clear fraction

**Ageing and evolution:** in steel with subsequent bottle evolution

**Sensorial features:** It's a bright cherry red wine which smells of cherry, currant and berries. In the mouth, strong minerality and acidity are mixed up with a strawberry and wild rose aftertaste.

**Bottle lifespan:** we recommend consumption within a year of harvest

**Serving temperature:** 12°C

**Gastronomic matching:** It's perfect with happy hours, pizza, fish dishes, cold cuts, pasta with tomato sauce, roasted meat and fine cheeses.
