

Cerasuolo d'Abruzzo DOC

- **Type:** Cerasuolo D'Abruzzo DOC Superiore
- **Alcohol content:** 13.00%
- **Area of production:** Bolognano, Abruzzo
- **Yield per hectare:** 90 quintal
- **Vine training system:** Tendone and espalier
- **Harvesting period:** Middle of September
- **Winemaking:** Soft pressing of the grapes, cryomaceration and vacuum pressing, fermentation of only the clear fraction.
- **Ageing and maturing:** in steel with subsequent ageing in the bottle.

- **Tasting notes:** Color: Light pink with brilliant reflections.
Aroma: Notes of delicate fruit such as cherry, raspberry and dog rose.
Taste: Soft but at the same time consistent, fresh and full-bodied.
- **Lifespan in the bottle:** We recommend consuming it within the year following the harvest.
- **Serving temperature:** 12° celsius
- **Food Pairings:** It can be served with multiple combinations from pizza to cod, from fish appetizers to cured meats, from first courses with red sauce to roasts. It also goes well with delicate cheeses.
